## ASSISTANCE CARD

### Hawaii Military Sexual Assault Assistance Card

If you are a Service Member or a military Family Member who has been, or think you have been, sexually assaulted:

1. Go to a safe location away from the perpetrator.
2. Preserve all evidence of the assault. Do not bathe, wash your hands, or brush your teeth. Do not clean, straighten up, or remove anything from the crime scene.
3. Contact the appropriate sexual assault helpline, here in HAWAII, 24/7:

Air Force	(808) 449-7272
Army	(808) 655-9474
Coast Guard	(808) 842-0990
Marines	(808) 716-7175
Navy	(808) 727-6392
Hawaii National Guard	1-888-727-7505
Trigler Army Medical Center's ER	(808) 433-3707
Sexual Assault Treatment Center Hawaii	(808) 524-7273
DoD Safe Helpline (All Branches)	(877) 995-5247

- ☐ Seek medical care as soon as possible. Go to Trigler Army Medical Center or Kapiolani Medical Center for Women and Children.
- ☐ Ask the health care personnel to conduct a medical Forensic Examination to preserve forensic evidence regardless of time that has elapsed since the assault. It is best if the exam is completed within 72 hours of assault but can still be done after 72 hours.
- ☐ If you suspect you have been drugged, request that a urine sample also be collected.
- ☐ Write down, tape, or record by any other means all the details you can recall about the assault and your assailant.

All Service Members and military Family Members (18 & older) have the following options to report:

☐ **Restricted, CONFIDENTIAL.** Allows the victim to have access to medical, counseling, and victim advocate services **WITHOUT** law enforcement or command involvement. To preserve confidentiality, the victim may **ONLY** report to the (1) Sexual Assault Response Coordinator (SARC), (2) Victim Advocate (VA), (3) Healthcare Personnel, OR (4) Chaplain. (For National Guard, depending on status, Restricted Reporting may not be available, however, **CONFIDENTIAL** Limited Reporting may be available. Check with H2HAG, SARC or VA.)

☐ **Unrestricted.** The victim has access to medical, counseling, and Victim Advocate services with mandated reporting of sexual assault to law enforcement and command. An investigative process is initiated. Receive support from Chain of Command. Details are held in strictest confidence, limited to "need-to-know" personnel. Service Members who make an unrestricted report may request an expedited transfer.

Other important numbers:
